Re: *Sciele Pharma, Inc. et al. v. Lupin Ltd. et al.*, C.A. No. 09-037-RBK-JS

Dear Judge Schneider:

Together with Kelley Drye & Warren LLP and Sterns and Weinroth PC, we represent the Lupin defendants in the above-captioned litigation. We write to inform the Court that before today's January 4, 2013, order requiring Court permission to modify the deposition schedule, the parties had agreed to reschedule the deposition of Andrx witness Boyer, originally scheduled for January 4, 2013. The reason is the illness of the child of the Lupin lawyer who was going to take that deposition, who was in intensive care over the New Year's weekend, only a few days before the deposition was to be held (and remains hospitalized).

Shionogi has also requested that the deposition of Daniel Tokich, scheduled for January 10, 2013, be rescheduled because the attorney who will be defending the deposition has the flu. Defendants have no objection to this request. Finally, the parties have agreed that the Talton deposition, scheduled for January 11, 2013, will take place in Canonsburg, Pennsylvania, rather than Morgantown, West Virginia, and will commence at 1 p.m.

We respectfully request Court approval for the postponement and rescheduling of the above mentioned depositions.

Respectfully Submitted,

/s/ Stephen B. Brauerman
